

How to Enter:

- Follow the crystal growth instructions from our website: www.sspc.ie/crystal_growing
- Work with your teacher in school or tweet us if you have any questions, and start growing your crystal!
- Once finished: Tweet or have your parents or teacher tweet us a high-resolution picture of your crystal using the hashtag #sspc_crystals
- Following on from your tweet or if you are not on twitter send an e-mail to sspcrystals@ul.ie or upload your submission [here](#), with the high-resolution picture of your crystal along with the following details:
 - The county you live in
 - The name of your school
 - Your Class/Year in school
 - Your age
 - Your name
 - Weight of Crystal in grams/milligrams (as accurate as possible)
 - Any further remarks on growing the crystal

These details will then be sent onto the judges and we will contact winners at the end of January 2018.

Judging Criteria

The judging will be on single crystal quality. Judging criteria for crystal include:

- Well-defined, flat, smooth crystal faces
- Clarity
- Size – the crystal should be visible to the naked eye
