### **PERMISSION FOR PHOTOGRAPH USE:**

Please note that photographs may be taken during the sessions for the purpose of recording the event and for promotion. Permission will be **taken as granted** on receipt of application form unless otherwise stated in writing by Parent/Guardian.

### **SUMMARY OF RULES AND PROCEDURES:**

- All students attending the TY Science Programme at the University of Limerick shall maintain acceptable standards of behaviour and shall act in a law-abiding, mature and honest fashion.
- University Property must be respected and the directions of Programme Staff adhered to at all times.
- Safety procedures as laid down by University Faculty (during Laboratory Sessions, for example), must be followed.
- The University will not be held liable for any property lost, damaged or stolen.
